Revs. A. P. Terrell and W. E. Daugherty, of the Christian church, have been conducting a tent meeting during the past week in this city. Large congregations have greeted them at each service and it is altogether probable that much good has been accomplished by the earnestness and zeal of these Christian gentlemen. Mr. Terrell delivered a logical and entertaining temperance lecture last Sunday afternoon to a large audience.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. A pleasant farewell dance and party was tendered to Mr. Arthur E. Meigs at the Commercial hotel last Friday evening, previous to his leaving Saturday morning for Grand Rapids, Mich. During his stay here Mr. Meigs drew to himself many warm friends by his genial disposition and sterling character, all of whom regret his departure. After a visit with his parents at Grand Rapids Mr. Meigs will go to college at Knoxville, Tenn., and probably will not return to Florida again until he is a full-fledged M. D.

Mr. M. N. Blanton, the new county commissioner from the Hampton district, paid the TELEGRAPH a pleasant call a few days ago. Starke Defeats Hawthorn.

A good-sized crowd witnessed and enjoyed the game of ball played in this city Wednesday afternoon by the Starke and Hawthorn teams.

The result was an easy victory for the local team. Following is the score:

Starke.....12 6 3 2 0 9 7 *—46
Hawthorn.....0 0 2 0 1 1 5 0 1—10

After the first two innings Starke played rather slack or the runs of the Hawthorn team might have been given with one figure. The most loudly applauded feature of the game was the home run made by Phil. Shaw of the home team.

Hawthorn could not find Faris' curves and fanned out in rapid succession.

Starke easily found the Hawthorn pitcher and "railroaded" the ball throughout the game.

In the sixth inning the Hawthorn boys did their best playing and the home team scored a reverse-swing.

R. F. Ensey as umpire gave entire satisfaction to both teams. His decisions were certainly without the least suspicion of partiality.

Anti-Megrim.

This is to certify that I am well acquainted with Messrs. Taylor & York, druggists at this place, and know the medicine (Anti-Megrim) that they are manufacturing and placing on the market.

I have seen this preparation used in this and other states and know of almost miraculous cures effected by its use. In this state I knew a case where the horse was down with sleepy staggers for two days and all hope of its recovery was given up and a cure was made by the use of Anti-Megrim. Mort. Howards.

County Judge Baker Co., Fla.

Macleamy, Fla., June 19, 1895.

Anti-Megrim can be obtained through J. C. Byrd, Lake Butler, Fla., agent for Bradford county.

Teachers' Institute.

We have employed Prof. Hercules to teach a four-week institute, beginning July 29th. The board of public instruction expects each person intending to teach in this county this year to attend. Preference will be given those attending, as we have noticed that the teachers who have the greatest success are those who take advantage of every opportunity to improve themselves. Also advanced students may attend without paying any tuition.

T. J. Dekle,
County Superintendent.

Property Transfers.

Several property transfers have taken place within the past ten days.

J. G. Alvarez has purchased the place of his brother, R. M. Alvarez, on Madison street, and R. M. Alvarez has purchased the place of Mr. W. E. Peay in the northwestern part of town.

N. J. Jones has purchased the place of S. M. Crews on Clark street, and it is rumored that James F. Kickliter will soon be the owner of the same. Of course everyone will be guessing at the significance of the latter deal, but we do not intend to give our young friend away.

Lumber Notice.

I have in my yard at mill in Starke a good supply of choice dressed lumber, such as novelty siding, flooring, ceiling, boat and cutting up stuff; also rough lumber of different qualities and prices. For sale for cash. Prices will be firm and quality as shown.

Mr. Hope Farmer, contractor of Starke, will have it in charge, and will be pleased to receive calls from anyone in want.

JAMES E. ELLIS, Agent
Starke, Fla., April 25, 1895.

A Pioneer's Recommendation.

Mr. J. W. Venable, of Downey, a pioneer of Los Angeles County, Cal., says:

"Whenever I am troubled with a pain in the stomach or with diarrhoea I use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used it for years, and know it to be a reliable remedy, and recommend it to every one." For sale by Starke Drug Co.

Gospel Tent Services.

The services at the gospel tent will continue till Sunday morning. The following subjects will be discussed: Friday, "Baptism—What is it?" Saturday, "The Steps from Depravity to Holiness." Sunday, "What Name Ought God's Children Wear?" All are cordially invited to attend these services.

Teachers Assigned.

The school board has assigned teachers to three of the county schools as follows:

Hampton—T. B. Hartig.

Lawley—G. W. Esthery.

Lake Butler—S. C. Townsend.

The assignments will likely all be made at the next meeting of the board.

The dictionary doesn't give you any better word to apply to the BUCKSKIN BREECHES than "BEST." Best in this case means care in cutting, best thread, stay-on buttons and perfect fit. They will wear as well as the jeans will allow. We use a better grade of jeans than the other manufacturers. We use a jeans that has almost no wear-out to it. You can get your money back if you find them anything other than best.

Pure, rich blood is essential to good health, because the blood is the vital fluid which supplies all the organs with life. Hood's Sarsaparilla is the great blood purifier.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Bruchand, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Starke Drug Co.

Are you taking SIMMONS' LIVER REGULATOR, the "KING OF LIVER MEDICINES?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith and were never disappointed. But another good recommendation for it is, that it is BETTER THAN PILLS, never gripes, never weakens, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one feels new all over. It never fails. Everybody needs take a liver remedy, and everyone should take only Simmons' Liver Regulator.

Be sure you get it. The Red Z is on the wrapper. J. H. Zeilin & Co., Philadelphia.

BOTH ACQUITTED.

Last Chapter in the New River Tragedy.

M. A. Kaney and W. A. Colley, participants in the shooting affray at New River on June 16th, in which Heywood Melvin lost his life, were arraigned before Judge Malphurs Monday for a preliminary hearing—the first on a charge of assault with intent to murder and the latter on a charge of murder—and were acquitted.

Many witnesses were examined, but not much evidence of a material character was adduced. From the testimony there was a general turning of heads when the difficulty began, and the blame for the affray could not be placed upon either of the prisoners.

Kaney was first arraigned and plead not guilty to the charge of assault with intent to kill. The taking of the testimony in this case occupied the morning session of the court, and Kaney was discharged from custody when the court reconvened at 3 o'clock. James T. Wills, Esq., defended Kaney and made a splendid argument in his defense.

Colley was represented by James L. Frazer, of this city, and Mr. Tapp, of Gainesville, a partner of Col. S. Y. Finley. The taking of the testimony lasted until 9 o'clock Tuesday morning, and the interests of their client were closely watched by Messrs. Frazer and Tapp. Both made excellent speeches in his behalf. Tuesday morning Mr. Frazer reviewed the testimony in a singularly thorough manner and made one of the most logical arguments that has been heard in Bradford's temple of justice in many a day.

At 11 o'clock Tuesday morning the decision of the court was given in the case of Colley, and both he and Kaney walked out of the court house free men.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began the use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price only fifty cents for large bottles, at the drug store of the Starke Drug Co., and John A. King, Lake Butler.

Buying Beauty.

"If I was only good-looking," is the wish of many a woman to-day.

It never occurs to most women that there is a beauty obtainable at little trouble. It is the beauty of rosy cheeks and ruddy health. Most women lose it through indigestion, biliousness, disordered liver, etc.

If you want to transform a sallow complexion into the glow of health you can do it by cleansing the system from impurities and causing the liver to work effectively. No single medicine can accomplish all that is needed. A liver pill will merely arouse the liver; it will not purify the blood, or repair the waste, or tone up the system. For this you must follow your liver
